015 arctic sweepstakes

Win a grand adventure experience in Canada's Northwest!

Imagine a week spent seeking the animals of the Arctic; polar bears, narwahl, caribou, foxes, orcas and maybe even a bowhead whale in two terrific communities! First in **Repulse Bay**, a town of 1,000 Inuit inhabitants, straddling the Arctic Circle, and then the iconic community of **Churchill** in northern Manitoba.

The Best of the Arctic is simply that; a fantastic opportunity to immerse yourself in the culture, wildlife and people of this remote and fascinating region.
